Editors Corner

We had our AGM recently. It was lovely to get together in person rather than virtually this year and as always, we discuss how the year has gone, if we need to raise the prices for the advertisers and if we need to do anything differently. Well, the good news is that, despite now delivering to more houses (765 actually), thanks to all the local new builds, we're still making enough money to cover the printing and delivery charges, so no price rise at the moment!

Another thing we discussed at the AGM was how to keep the magazine relevant. We get the impression from the limited feedback we receive that the Shop Local campaign is useful and Anne is keen to encourage more use of QR codes. You'll see another couple in an article on page 26. If you've not met them before, here's how you use them:

- Download a QR code reader on your smartphone (There are plenty of free ones)
- Open the app and scan the code in the magazine.

Your smartphone will then automatically open the website page that the QR code is pointing to - saves you typing in something long and difficult. Now you can see the extra information or in this month's case, you'll be able to share your views on hospital waits. It's supposed to make life easier for you - we hope you agree!

Happy reading
Anne and Jane.

Articles for the Quartet are included if we have room, and if, in the opinion of the editors, they are of general interest to our readers. Please remember all articles will be subject to editing. We prefer you to contact us via email where possible.

Rev'd Nicola Writes

Dear Friends

I hope the beginning of March finds you well and looking ahead to spring with perhaps more optimism than this time last year. Indeed, as I write, snowdrops are out in my garden and the stalks of daffodils have appeared. Even my roses (before I gave them a secondary prune!) were beginning to put out new buds.

Longer and warmer days herald the hope of risen life that is next month's Easter message. If you haven't yet felt confident to return to an indoor church service I hope you will soon; maybe for Mothering Sunday on 27th March. On that day there will be a Holy Communion at Raydon, or you might like to try 'The Family Hour' - bacon rolls and coffee served at 9.30am before a short family friendly service with activity beginning at 10am, in the Parish Room in Stratford St Mary. By then we will have paused on Wednesday 2nd March with a Benefice Ash Wednesday Service in Raydon at 10am to begin the solemn journey through Lent. However, Lent should not be considered gloomy; rather it is a time of reflection and preparation. A time when we can think of the enormity of the sacrifice Christ made for all of us.

One event that crosses between February and March is Fairtrade Fortnight and this year's service combined how well we are doing as Eco Churches and addressing Climate Change. We are fortunate that all four parishes in the Benefice have an Eco Church rep and are on their way to gaining not just Bronze certificates but also Silver and, dare I say, Gold. We looked at the Personal Audit we can take to focus on

climate change. We realised that the farmers we help when purchasing fairly traded goods are the ones who are being kinder to the earth than their western counterparts and are assisting better than I am in helping with the climate crisis. I was truly shocked when I discovered I am below average in the country for Earth Overshoot Day. www.overshootday.org will explain all about it and what we can do to make this world a place fit to pass on to the next generation.

On a more positive note we held a very well-received 5th Sunday Service at SSM at the end of January, and, to whet your appetites, from now on all 5th Sundays will begin with coffee and croissants at 9.30am, creating a more relaxed start to the service.

Do please come and join our services whenever you feel able to, you are guaranteed a very warm welcome.

In God's love,
Nicola (Rev'd) – Curate of the Four Marys

Ever thought of becoming a Parish Councillor?

There are two vacancies at the moment. With elections coming up in 2023 why not try it for a year?

It's an important part of local government with the aim of working towards improving community well-being and providing better services.

You have to attend 6 meetings a year, but it's a case of getting involved in the issues of Stratford St Mary, seeing what the issues are that affect residents and working to resolve them.

There's an article here <http://stratfordstmary.onesuffolk.net/.../Parish-Councils...> but why not call Bill Davies on 01206 322990 to have a chat?

Can you help with flowers for the church?

Our parish church in Stratford has a small rota of people who kindly arrange or place a few flowers in the church on a regular monthly cycle, to ensure the church is inviting for visitors.

No special floristry skills required!

We now have some gaps in our annual rota and would very much like to welcome new volunteers to our small team.

At the moment, we usually allocate a month to each person, but if this can be shared with someone else, it helps to spread the load.

If you feel this is something you could help with, please contact Jonathan Dewey (churchwarden) or Sandy Ranson (PCC secretary) –for contact details see the Quartet centrefold pages).

We look forward to hearing from you!

Dear Resident

Do you...

- ♣ *Want to help reduce the speed of vehicles within our community?*
- ♣ *Want to make our village a safer place to live?*
- ♣ *Have some spare time?*

Community Speed Watch makes a valuable contribution to road safety within our village and we are looking for additional volunteers to help make our village a safer place to live .

The police provide a level of reassurance and enforcement but officers cannot always carry out speed enforcement checks in every location that requires them.

So, if you are able to spare 1 or 2 hours per month of your time, why not get together with like-minded members of our community and provide a visible presence to help reduce speeding and use speed detection equipment to report speeding within our village,.

Interested in joining?

Fair Trade coffee morning

Christmas had come and gone and already we were at our January 25th 2022 Fair Trade coffee morning. The day was typical of January, grey and cold all day, but we were socially distanced in the Church and catching up with each other again.

I was not in charge of the coffee pot today but enjoying myself chatting and indulging in the array of lovely cakes, scones and home made biscuits. Some of our regulars were on holiday, making us envious with the message that they were sitting on their balcony in beautiful sunshine, blue sky and snow covered mountains.

Our Feb 22nd Fair Trade coffee morning didn't coincide with the copy deadline, so next time there'll be "2 for 1" as the offers say!

March 22nd is the date for your diary, it will be celebration time as there are three birthdays in that week and one of them is actually on March 22nd! Come and enjoy the birthday cakes and of course the wonderful Fair Trade coffee, and find out who is celebrating. Not forgetting that Love Refills and the Library van will also be there.

Many thanks for your continuing support

Raydon and District Garden Club

Writing these notes on 15th February and having just heard the weather forecast for later this week it looks like a rough few days ahead as two storms head into UK with very strong winds. This time last year what a difference if you remember we had had a considerable amount of snow fall (8"-10" deep) and plenty of extra snow showers plus night time frosts. So far this winter has been reasonably mild at least in East Anglia and as we head through February and into March "Spring" is just around the corner, with winter snowdrops in full bloom over last few weeks along with hellebores and aconites. As these fade then it's the turn of daffodils with tulips following in April, also of course the gardener's winter break is over as it's time for grass cutting once again along with planting those flower or veggie seeds provided weather conditions are favourable.

Remember this time last year all events were cancelled until September. Your committee has been busy throughout and have organised a full programme for 2022, with special thanks to Daren who has managed a difficult task as many guest speakers are either too expensive for your

club (some want £250 upwards + mileage) or not willing during the last few months to commit to a visit to us due mainly to the ongoing Covid situation. Thankfully things are at last showing an improvement as we all learn to live with the situation we find ourselves in, and so we started 2022 on 24th February which hopefully many of you members were able to attend and enjoyed an evening with Matthew Long and "Bulbs Galore". We are now looking forward to 24th March meeting with Dr Ian Bedford and "Garden Bugs". This will be followed on **Saturday 9th April "Spring Show"**.

Show schedules will be available on meeting night. There are plenty of classes to choose from so please have a go, it's easy to enter. Just bring your entries to the pavilion between 8.30 – 10.00am, Judging takes place from 10.30am with show open for viewing from 2.00pm – 4.00pm. It's a fun day with prize giving presentation by our President, followed by refreshments and a raffle.

Looking ahead we are in the process of arranging a coach outing to RHS Wisley which should be in June, more info including costs etc next meeting on 24th March.

If there are any members who haven't yet come to a meeting or new members wishing to join the club please pay your membership fee on the March meeting night, cost is £15.00 pp. Non members will pay a entrance fee £5.00 pp per evening visit. Membership covers you for 8 meetings, 2 shows, and a drink with cold buffet at AGM night. If unable to come to March meeting night then please put membership + name and address, phone number and if you have one an email

address through letterbox at High Elms, The Street, Raydon. I will then ensure you get the membership card which tells you dates, speakers, committee members, plus contact numbers etc.

**Are any members taking a holiday in UK this year ? if so would you like to take several photos of gardens you visit or nice countryside views etc for the club that we could perhaps use for an evening viewing (perhaps at AGM social evening) as this would not only be interesting to all I am sure but it would help save some costs to your club.

Your committee thanks you for your continued support and look forward to meeting you all at meetings and shows.

Mabel's Story

Hello, my name is Mabel and I've just moved into a comfortable home in Holton St Mary.

I was born on the 8th April 2020 in Ireland in a dog racing kennels, yes, that's right I'm a greyhound!

I travelled over from Ireland on a ferry with my friends. We travelled across the country dropping off each friend at various foster parents, so I've already done quite a bit of travelling. The Charity that rescued me doesn't have kennels, we're housed in foster parents' own homes until adopted, so we start living the good life straight away.

I was born just after everything locked down for Covid. I haven't had any racing training or even had a race, at the age of two years any greyhound that hasn't made the grade is discarded, many of my fellow hounds were destroyed. I was lucky and they got me out, I had to have a bath before I came to England because I was in

'a bit of a state', but I was beautiful for meeting my foster mum and dad. I've decided I don't like showers or hairdryers though!

I arrived at my foster parent's home in Ipswich and met the resident hound Florence and I have learnt so much from her, but she was definitely The Boss and wouldn't let me have either of the comfy beds, so I'd sneak into the lounge and use that bed instead! After ten days with my foster parents, I moved in with my Mum and Dad.

I enjoy my walks as everything is new, although I do give Mum a hard time when I see the geese. I've never met any other dogs, other than greyhounds, so I have to wear a muzzle just in case I think that other dogs are 'prey', but soon I'll learn that they're my friends and will be happy to play.

I'm going for a snooze now in my new (rather expensive) fluffy bed, I'm zonked after a walk! If you see my Mum or Dad out walking me, please come to chat and help me socialise or if you're considering adopting or even fostering one of my friends.

Lots of slobbery kisses,

Mabel X

A Daily Thought

It is likely that a number of us in our benefice, like myself, are in the habit of listening to the radio broadcast "Thought for the Day" on Radio 4. Speakers from a variety of faiths and backgrounds give a short talk, often on a topical theme and usually offering inspiration and food for thought. I am also in the habit of keeping a notebook in which I record interesting facts and passages I come across in books, at exhibitions - particularly those at the British Library, and during lectures or in the course of conversation.

Quite some years ago when I was teaching the Alexander Technique in London, I was fortunate to be asked to give some lessons to Mary Boyce, who lived upstairs from where I taught in Highgate. Following a Degree in English, Archeology and Anthropology at Cambridge, Mary had studied Persian at Soas (School of African and Oriental Studies) and for many years was professor of Iranian studies there. Regarded as a world authority on Zoroastrianism, she had written extensively on the religion and was in the process of writing the fourth volume of what was destined to be an eight volume history of Zoroastrianism. (Incidentally the three Wise Men are widely thought to have been Zoroastrians). In her middle 80's and with a considerable back problem, Mary spent most of the day writing by hand, stretched out on a chaise longue. Her work was her life. After she died her executor offered me a choice of her Bibles. I also came into possession of a small red hardback notebook in which I found Mary had recorded some two dozen passages and statements that appealed to her. Together with those well known passages from the New Testament: 1 Corinthians 13: "Charity suffereth long...." and Philippians 4 :8: "Finally brethren whatsoever things are truethink on these things" was a quote from Churchill: "An optimist is wrong

just as often as a pessimist, but he has a much happier time" and in a lighter vein (not from Churchill) "The light at the end of the tunnel is probably an oncoming train". Not surprisingly there were a number of quotations relating to work, one of which was from Zappa, a pop guitarist and composer: "I haven't found anything as interesting to do as working, so my idea of a good time is to stay at home and work". Also, attributed to a military manual (!) "Identification and maintenance of aim".

In the middle of the first page of Mary's notebook were the following lines:

"Bearing about with us **the infection of good courage** that we may be **infusers of happiness.**" There was no indication of source. It wasn't until about March 2020 when the world appeared to be being taken over by pandemic fear about Covid 19, that the relevance of these lines really struck me. On investigation I found they formed part of a Happiness Prayer written by Robert Louis Stevenson in the 19th century, himself a sufferer of poor health for much of his lifetime. It appeared that Mary had changed the original wording from "**diffusers of life**" to "**infusers of happiness**". Knowing the razor sharpness of Mary's mind and the precision with which she used language I think the alteration was deliberate.

Generally I went to teach Mary at the end of her working day (and mine) and was often feeling a little weary as I climbed the long, steep staircase to her flat. Yet almost invariably I came away feeling refreshed and reinvigorated! Her neighbours commented that they always came away from visiting her feeling uplifted! Revisiting Mary's notebook in the early stages of the pandemic was a reminder that not all infection is to be feared.

Stevensons's Happiness Prayer reads as follows:

Grant to us, O Lord, the royalty of inward happiness, and the serenity which comes from living close to Thee. Daily renew in us the sense of Joy, and let the eternal spirit of the Father dwell in our souls and bodies, filling every corner of our hearts with light and grace; so that bearing about with us the infection of good courage, we may be diffusers of life, and may meet all ills and cross accidents with gallant and high-hearted happiness, giving Thee thanks always for all things.

Time to get walking again!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

Walking in Suffolk <https://www.walkinginengland.co.uk/suffolk> has hundreds of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Suffolk (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

Felixstowe first in country to pilot later life living initiative

FELICITOUSFELIXSTOWE is to be the first place in the country to pilot a pioneering new initiative aimed at helping older people live healthy and happy lives. The Suffolk coastal town has been chosen as the 'UK demonstrator site' for the Integrated Care for Older People (ICOPE) project.

ICOPE is based on 30 years of research and development carried out across 50 countries into the issues that matter to older people by Professor Ian Philp. His findings revealed that two thirds of the things they said were important to them were not being addressed. This prompted the World Health Organisation (WHO) to launch a global programme aimed at engaging with older people to establish what they need to live better, healthier lives and connect them to local sources of support.

Now Felixstowe is to be the first place in the UK to trial the approach, with two other areas of Suffolk – Hadleigh and Ipswich West – following shortly after. ICOPE focuses on six associated health problems – vision, hearing, mobility, cognition, depression and nutrition. It also addresses where support could help in six areas of social need - daily living, social participation, loneliness, violence against older people, living accommodation and finances.

Mark Shenton, Professor of Integrated Care at the University of Suffolk Integrated Care Academy (UoS ICA), and Chair of the NHS Ipswich & East Suffolk Clinical Commissioning Group, is chairing the ICOPE Project Board.

He said: "I'm really excited that Felixstowe has been chosen as the first place in the country to pilot the ICOPE project.

"This is all about engaging with older people to find out what their issues and

needs are, rather than assuming what they are, in order that we can address them properly.

“The WHO research showed that older people usually need help with just one or two things to make a big difference to their health, independence and quality of life. “A unique feature of this project is that as well as assessing the needs of older people we will also be identifying their family carers to offer them an assessment of their own needs through our partnership with Suffolk Family Carers.”

ICOPE, which will eventually be rolled out across the rest of Suffolk and north east Essex, will be evaluated by the UoS ICA. The ICOPE team wants to engage with older people in Felixstowe, Hadleigh and Ipswich West to find out what matters to them.

They are holding a drop-in session at Felixstowe Town Hall tomorrow (Wednesday Feb 16) from 3.30pm to 4.45pm to which older people from the town and their carers are invited.

Older people in Hadleigh are invited to give their views when the team visits the town's Abbeycroft Lesiure Centre the following day (Thursday Feb 17) between 12noon and 2pm.

SESAW NEWS

Spring has definitely arrived. The birds are singing, the flowers are blooming, the dewy grass is steaming in the morning sun and there is an air of quiet optimism as the volunteers prepare for our first proper fundraising event in two years. Yes, we will be back with our Easter Fair at the Old School, Long Melford, CO10 9DX on Sunday 3rd April.

Expect the usual wide selection of stalls, crafts, flowers and plants, raffle, Jeanette's Terrific Tombola, and yummy homemade cakes and snacks. Do come along between 10am to 3pm, you'll get a warm welcome from all of us including Frank Payne who will be selling and signing copies of his autobiographical books. Our Octogenarian has led an interesting life and has plenty of tales to tell. His story begins in Blitz torn London and progresses through National Service and onto careers in journalism and football.

Speaking of sport, the Nayland 10K family-friendly fun event takes place on Sunday 10th July, starting at Little Garth School, Nayland, CO6 4JR. Once again, SESA W is one of the charities benefitting from this extremely popular, multi-terrain run through the beautiful Constable countryside. Covid infection rates continue to be high in this part of the country. Being vaccinated does not offer full protection and you can still pass on the virus. Many members of our congregations are elderly or vulnerable. When meeting in church or in other places, please observe social distancing and respect that many wish to avoid physical contact such as shaking hands. Whilst wearing masks in enclosed indoor spaces is not a legal requirement anymore, some people prefer to wear them and they offer a degree of protection. Please indicate if you would like to sit socially distanced during a service.

Holy Communion is now distributed at the front of the churches with communicants coming up to receive, but for the time being this is bread wafers only.

All our buildings, activities and services have been fully risk-assessed, but please speak to Rev'd Manette, Rev'd Nicola or one of our churchwardens if you have any concerns.

If you feel in any way unwell, or you have a cough, a temperature, a sore throat or a runny nose, even if you don't test positive for Covid, please stay at home until you feel better.

Family Hour in Stratford St Mary - back at 10 am

Family Hour in the parish room is on **Sunday, 27th March**. It is **Mothering Sunday** and our craft activity will be making fresh flower posies. Sunday Hangout in Higham

A Sunday church group that will meet at various points throughout the year, aimed primarily at children, but open to any age! Sunday Hangout is a time to create with others, a chance to learn something new and reflect on our faith. An opportunity to hang out with friends, whilst getting involved in fun activities that the whole family can enjoy. Snacks and drinks will be provided.

Join us at St Mary's Church, Higham on: **20th March 2022 from 4pm.**

We look forward to seeing you!

Chat, Prayer & Coffee every 3rd Wednesday of the month

Lent Study Group

The Archbishop of Canterbury's Lent **Book** for 2022 is '**Embracing Justice**' by **Isabelle Hamley**. Due to lack of interest, there won't be a face-to face Lent Study Group this year.

We will have another **Quiet Day for Lent with Rev'd Joyce Willis** in the Lady Chapel in Stratford St. Mary – date to be confirmed.

We draw your attention to the following Lent Series via Zoom:

Radical Living: St Edmundsbury Lent Series

Starting Wednesday 16 March, 7- 8pm throughout Lent via Zoom, the Cathedral will be holding a series of Lent Talks on 'Radical Living, Christians and the Environmental Crisis.' Each week a speaker will look at the environmental challenges of today from a different perspective. For more information or to be added to the mailing list, please email michael.robinson@cofesuffolk.org.

Benefice House Group

The house group will meet on **Thursday 24th March at 2.30pm** at 5 Veyses End, Stratford St. Mary. Please contact Jonathan for more information at: dewey57jon@gmail.com

Benefice churches open

All our churches in the benefice are open every day for private prayer and for visiting.

Father of light,
in You is found no shadow of change
but only the fullness of life and limitless truth.
Open our hearts to the voice of Your Word
and free us from the original darkness
that shadows our vision.
Restore our sight that we may look upon Your Son
who calls us to repentance and a change of heart,
for he lives and reigns with You and the Holy Spirit,
one God, for ever and ever. Amen.

International Committee on English in the Liturgy (ICEL)

Please pray for all those who will be preparing for Confirmation over the coming months.

We pray for those who are in pain, distress and grief. May we hold the Christ light for them and be alongside them in their darkness.
Please pray especially for those who have asked for our prayers:

Higham: Amanda Berry, Penny Watkins, Val Boothman & family.

Stratford St. Mary: Laura Kerry, the family of Nancy Ablitt

Outside our parishes: Helen Gregory, Poppy Adams, Rev'd Fred Woods

Please check on friends and neighbours who may be struggling at this time of year.

If you wish to be added to our email mailing list to receive updates about what is going on in our benefice, please contact Rev'd Manette at: revmcrossman@gmail.com
