## A note for Everyone

Just a reminder for house names/numbers to be visible. If an emergency vehicle needs to find your house at night, will it find it easily?

Lots of names/numbers are hidden behind bushes - it would only take a few minutes to clear it but those few minutes might make a huge difference if the emergency vehicle finds your house first time.

# Welcome

Dear friends,

As I write this in the middle of August, after a summer of very mixed weather, I am hoping that you

have at least been able to have a restful time and haven't been caught up in the queues at foreign airports, the devastating fires in southern Europe or the terrible mudslide in Freetown in Sierra Leone. We think of the awful uncertainties that these events cause for those living through them, and of the potential horror of nuclear war being unleashed on the Korean Peninsula, being brought closer by the ridiculous posturing of two egotistical presidents.

If you are worried by such things, and would like to help pray for wise leadership across the world, come and join us as we try to make more sense of how we in our small communities can work towards the wider common good. Our house group is starting up again on September 14th, led by various members of our congregations, and everyone is welcome to contribute to our discussions. There are also lots of other things on offer in the next couple of months, both fun and thought-provoking, so check out the centrefold for more details. Raydon's Church Fête is on 2nd this year. Or why not indulge yourself with a fantastic cooked breakfast in SSM Parish Room on 9th- it would be a good place to stop off and fuel up if you are doing the Suffolk Historic Churches Bike Ride! Or go to Raydon's Fashion Show on 29th, and watch the locals strut their stuff! On 30th in the evening there is a treat in store at SSM with the St Edmundsbury Male Voice Choir.

On the more contemplative side, we have 2 interestingly complementary talks in October - on the morning of 7th Suffolk MIND is offering us advice on how to make sure that every one of us looks after our own mental health, even if that means simply finding out how we can deal with the stress that some of us experience in our daily lives. Then on the morning of 10th Magdalen Houlihan, an expert in our area on Silent Prayer (also known as Christian Meditation or Centring Prayer), is coming to talk to us about how this can help us to find God's Kingdom within ourselves. Silent Prayer is well known for its healing and calming powers, so the two tie up very neatly with each other. Why not come to both?

This month, of course, I wish all the best to those who are returning to school, college or university, or who are starting there for the first time. I am hoping to be able to go into SSM School a bit more regularly in future, as it is so good to meet the children and get to know them and their parents.

Finally, this month is all about Harvest in our churches, and we hope that you will be able to join us on at least one Sunday in September to celebrate the beauty of God's creation in the countryside all around us. On 24th there is a special Harvest Festival at Higham at 11 a.m., with Richard Stainer, who is one of the Diocese's Overseas Aid Officers speaking about our link Diocese, Kagera in Tanzania. The service will be followed by lunch, and all are welcome.

May God's blessing be upon you.  
Rosalind Paul, Rector

# Editors Corner

To me there always seems to be a 'Great Divide' between August and September (rivalled only by December and January in my opinion) where we leave one season and enter another. The summer holidays are left behind and getting back to work is all the rage. Then said, you will see that the September diary is very full this year. The Stratford Pub Games Challenge, Raydon September Surprise as well as the annual Churches bike ride are all in September this year.

We try and put all the events advertised in the Quartet in the Diary page for quick reference, but if you have a local event that you would like to give a quick mention to, we are always happy to receive information for the Diary page. Just email [quarteteditor@hotmail.co.uk](mailto:quarteteditor@hotmail.co.uk) and we'll see what we can do.

On a completely different note, do take a look at the report of the Higham Art Festival on page 8. I've heard of town twinning before, but Higham have gone in for Loo twinning! That's different!

Finally, we would like to bring your attention to an article from Sudbury Citizens Advice Bureau on the new Universal Credit. This issue could affect you or someone you know and Sudbury have come up with some good advice.

Happy reading

Anne and Jane,

Articles for the Quartet are included if we have room, and if, in the opinion of the editors, they are of general interest to our readers. Please remember all articles will be subject to editing. We prefer you to contact us via email where possible.

### **The bell ringers appeal**

In Higham and Stratford St Mary, they ring bells at the drop of a hat,

Be it hand-bells or tower bells, (or potentially cow bells)

But there's nothing the matter with that.

It's a skill that's as English as England, claimed by noble and peasant, the same,

Yet it ranked with the long-bow and cider (that's Strongbow),

Keeping England ahead of the game.

But we're needing a few extra ringers if this traditional skill's to survive.

Learn the ropes on a Friday and it will soon be your day

To keep ringing on Sunday alive

So do please see if you can join us, come on now just give it a try,

The skills we can teach you if we can only reach you,

So please give us a call, don't be shy.

## Higham Art Exhibition

The weekend of the 23/25 June saw another (the eleventh!) successful art exhibition at Higham Church. Over 200 pictures from some 70 predominantly local artists were displayed. The exhibition began on Friday evening with drinks and continued through to Sunday evening. A tea tent provided delicious cakes and refreshments, as well as an excellent opportunity for villagers and visitors to have a chat.

Special thanks go to Roger Freeman for organising the exhibition and to Nicola Tindall for organising the tea tent. Thanks are also due to the many people who helped with putting up (and taking down) the exhibition screens/signs etc, creating the most beautiful flower arrangements, stewarding the exhibition, manning the tea tent and all the other work which goes into putting on a village event. Not only did it bring together lots of people from the village and further afield, but it also raised over £3,000 for the Church Fabric Fund. We hope to hold the next exhibition at a similar time in 2019.

### TEA -TENT at HIGHAM ART EXHIBITION

Many thanks to all who contributed their time and baking at the Art Exhibition. There was a great atmosphere in the tent throughout the weekend. The Tea Tent raised more than £250, enough to twin the Church Toilet to not just one loo but a bank of latrines at a school in Bangladesh. Fantastic! ## **Fair Trade Coffee Morning**

Fair Trade coffee morning.

It was a nice warm day for our Fair Trade coffee morning on August 15th. I was particularly looking forward to it as I was going to be a customer today and not the proprietor! The Sunday afternoon tea team were in charge and it was so nice to be able to sit and have a natter with all our regulars. We had some visitors as well, including a cyclist who usually comes to the teas on a Sunday afternoon!

We were making final plans for our September surprise today, items for the "Pamper hamper" being collected, buttons nearly finished being sewn onto the waistcoat and contributions for the bric a brac and collectables stall. In between dispensing the usual great coffee and Frinton goodies (Chocolate chilli cake and Scoffins today) the tea team were requesting cakes for the cake stall.

By the time we have our next Fair Trade coffee morning on September 12th we will have celebrated Harvest, so do come along and enjoy the decorations in the Church and don't forget you can be "In charge" of a coffee morning by joining the rota!

Many thanks and see you on September 12th

Well the year is a moving on and will soon be heading into Autumn that lovely mellow sometimes misty month. As the veggie plot gets harvested & you have bare ground make use by planting green manure seeds which will help weed control, then when dug in later in the year it will provide nutrients ready for next year's crops. Still time to collect those seeds ready for next year (cheaper than buying new) and also you can then put them where you wish rather than just letting them drop. Keep dead heading lots of the flowers for repeat flowering until we start getting the frosts which hopefully might be later in October or even November.

Once again August 19th was our flower & produce show, and a highly successful event it was. Number of entries was way past the 300 mark (first time in seven years). Several new entrants which is always encouraging, also more children's entries than last year, the quality of produce & flowers first class considering the weather (i.e. wind & rain) for the three weeks leading up to show day. Also all the baking, photos, handicraft, preserves, children's section, flower arrangements etc, so much hard work put in by our entrants which made for such an enjoyable display to be enjoyed by one of our largest visitor numbers in the afternoon. It makes all the hard work by the committee worth it to see such a great community come together to enjoy the show. Thank you all who supported R&DGC in any way. Takes me back to the early years (1981 onwards) of this great club when we held the shows around the area at bottom of Sulleys Hill by the Fox pub, Shelley Hall, Raydon playing

field, often getting between 300 & 500 entries each year, we of course had bigger outdoor venues with large marquees (even more hard work) and we always seemed to attract great numbers to view our efforts. Once or twice we had counted over 200 persons. Those were the days !!!!!.

Our September meeting on 28th will of course be back inside the village hall (old primary school) as the nights begin to pull. Our guests on the night will be the well known Sarah Cook & Jim Marshall from Shelley. Subject Horticultural Snippets which will have a question and answer section so come along with plenty of questions. We are in for a treat with plenty of humour thrown in for good measure as usual.

Advance notice:- Open Charity night on 26th October. Please bring as many friends and guests along so we can raise a goodly sum for this year's charity the very needy Ipswich Hospital Baby Bereavement Group.

Once again your committee thanks you all for your support over this year so far.

Geoff Horrex (310422)

## Raydon Village Hall Century Club.

### **\*\* Requires A Volunteer \*\***

Due to retirement of the current Century Club administrator we now need a person to take on this post. The Century Club makes a valuable contribution towards funding the maintenance of the Village Hall (old primary school).

The role would involve gathering ticket monies from current members around the village (fees due July), reminding members that payment is due and recruiting new members if possible. Records of funds received would obviously need to be kept.

It is not necessary to be on VH committee, but you would be expected to attend at least two meetings per year. The position would ideally suit someone trustworthy, living in the village (upper or lower Raydon) and over 18 years of age. If you can spare a few hours, and interested in helping a worthwhile cause please contact in the first instance, Geoff Horrex, High Elms, The Street, Raydon. Call 01473 310422 or mobile 07810086143.

## Remembrance Day Knitted Poppy Waterfall

Join us in creating a Poppy Waterfall that will cover the front porch of our church, here in Holton St Mary, on Remembrance Sunday 2017.

You can knit, or crochet poppies using the official British Legion pattern, or your favourite poppy pattern, using any shade of Poppy Red wool. Copies of the British legion pattern can be found on the internet and paper copies are available in the church porch.

Don't worry if you don't knit or crochet, you could make poppies from felt and there will also be the stage of assembling the poppies on the backing nearer the time.

Why not invite your friends and relations to join us in creating this waterfall of Remembrance. They will be acknowledged on a map of participants. We could aim to have poppies from all over the world on our waterfall.

The sooner we start and the more that join in, the more impressive the Poppy Waterfall will be for our service of Remembrance.

## Emotional Needs and Resources Course run by Suffolk Mind

**Saturday 7th October: Holton St Mary  
Village Hall: 9.15 am to 1.00 pm**

One in four of us will struggle with our mental health at some point. Nearly everyone has had a period of time in their lives when they have woken up in the middle of the night feeling slightly anxious, or felt sick before an important meeting or event. Mental health isn't just about the severe illnesses we read about in the news – we all have brains, so we all have mental health. We are on what's known as a mental health continuum, with wellbeing at one end and ill-health at the other end.

Stress is the point at which we cross over from wellbeing to ill-health, and what precipitates stress is not getting important physical and emotional needs met.

Suffolk Mind, the mental health charity, has offered us a rare opportunity to find out more about how we can help ourselves and those around us. The first step to getting our emotional needs met is awareness that we have them. This half day session will:

- Raise awareness of what we need to stay well
- Provide some insight into how mental illness occurs
- Enable you to help yourself and those around you

To book your place please contact Frances Torrington on familytorrington@btinternet.com or 01473 312046 or 07711080658. Numbers are limited.

The course is free but we would welcome donations to cover the cost of hall hire and refreshments. Any surplus funds will be donated to Suffolk Mind.

## **Kennys SESAW news**

This year we celebrate 25 years of animal rescue at Leavenheath, culminating (big word for a little dog!) with our Open Day and Fun Dog Show in July. Ex SESAW dogs returned with their owners to show us how well they were doing and the magnificent sum of £4650 was raised. More dogs have since been rehomed and we extend our grateful thanks to all who supported SESAW and to the hard working volunteers who made it all happen.

Barbara wants to thank everyone who helped at her “Bonanza Sale” in Stratford St.Mary last month, she couldn’t have done it without you! The Parish Room was full of chatter as visitors arrived including ex-SESAW dog Izzie and her humans and £511 was raised.

Just time to tell you we are having a “Barking Basement” Weekend Sale at SESAW, 10-1pm 23/24th September and a £1 Sale at the Ansell Centre, Hadleigh, 11-2pm on Saturday 14th October. If you are going further afield try our Autumn Sale, 11-3pm Sunday 17th September at Gt. Bentley Village Hall CO7 8LG.

Now I must trot down the garden to bid all the animals goodnight and make sure they know I’m Kenny (the Boss) Chihuahua Suffolk & Essex Small Animal Welfare, Reg.Charity No.1124029, Stoke Road, Leavenheath, CO6 4PP. Tel: 01787 210888 [www.sesaw.co.uk](http://www.sesaw.co.uk)

THANK YOU

Josie, Monica and Margaret wish to thank everyone who bought things from their tables at Barbara’s Bonanza Sale on 19th August. This helped the ladies raise £36.55 for the RNLI

**THE THIRD AGE TRUST**

**THE UNIVERSITY OF THE THIRD AGE**

We do not have a speaker meeting in August but our popular Summer Dinner took place on 4 August, once again, in the Constable Hall and was much enjoyed by all who attended.

Our speaker on 13 September is David Whittle, Vice Chairman of the Harwich Society, whose presentation is entitled "I Do Like To Be Beside The Seaside". The presentation tells how the Victorians were suddenly able to travel due to the harnessing of steam in the form of paddle

steamers & railways, leading to the development of seaside resorts on the Essex & Suffolk coasts, including Harwich & Dovercourt.

"Being a Woman Racing Driver & Racing at Le Mans" is the subject of our talk by Celia Stevens on 11 October. She will talk of her experience of racing historic cars three times at Le Mans Classic, once at Nuremberg & all over the UK. And she is still racing !

On Wednesday 8th November Event Organiser Eve Regelous, who worked closely with Harrods, will give a glimpse of behind the scenes of day to day life in this world famous company including its history.

Our main purpose is to encourage lifelong learning for those who are no longer in full time employment and emphasis is always placed on making learning active and fun as well as helping in developing friendships. We have a wide range of groups including language study, country walking, computer studies and gardens, churches and historic buildings visits. In the main, membership is drawn from communities in the lower Stour Valley and adjacent areas including Brantham, Capel St Mary, Dedham, East Bergholt, Holbrook, Lawford, Manningtree, Raydon, & Stratford St Mary. We are affiliated to the ThirdAge Trust, have over 300 members and 27 groups. For further information please visit [www.stourvalleyu3a.org.uk](http://www.stourvalleyu3a.org.uk) where membership secretary Gillian Gibbs may be contacted.

We meet at The Constable Hall, Gandish Road, East Bergholt CO7 6TP at 2 for 2.15pm. Annual membership costs £12 a year and this entitles members to attend the meetings that take place on the second Wednesday of each month, except August and December.

Remember it's never too late to learn! Join over 400,000 members across over 1,000 U3As throughout the UK today!

## UNIVERSAL CREDIT: ADVICE FROM SUDBURY CITIZENS ADVICE

*Universal Credit is a new benefit for people of working age who are on a low income. It is intended to be simpler than the current system of benefits and tax credits. In Sudbury and District single people without children can already claim Universal Credit, but from October 2017 all NEW CLAIMANTS will claim this benefit.*

**Universal Credit replaces the following six existing benefits:**

- Income Support      •Housing Benefit
- Income-based Jobseekers' Allowance
- Child Tax Credit      •Income-related Employment and Support Allowance
- Working Tax Credit

If you are you already claiming benefits or tax credits you will **not be affected yet** unless your circumstances change. If they do you will be asked to claim Universal Credit.

**What's different about Universal Credit (UC)?**

- Your UC benefit will be **paid monthly** into your bank/building society account.

- **When making your claim you won't be paid for the first 7 days, and will receive your first letter and payment after 6 weeks, but if in financial difficulty you can ask for an advance payment of some of the amount, but you will have to pay it back.**

- You will have to pay your rent directly to your landlord as any Housing Benefit you are entitled to will be paid directly to you. It is advisable to let your landlord know.

- You won't be restricted to the number of hours you work, as the amount of benefit

you receive will be adjusted to your earnings.

- You are expected to claim UC online unless you have a good reason for not being able to do so, then you can apply by telephone (**UC helpline on 0345 600 0723**). **Calls can be costly so ask if they will ring you back.** To apply online go to [www.gov.uk](http://www.gov.uk) website and follow the link. **You will also need a working email address.**

- Within a few days of submitting your application, the Department for Work and Pensions (DWP) will contact you to arrange the interview. **If you miss your interview, your application will be cancelled and you'll have to start again.**

- If you apply as a couple you will make a joint claim but only one person will complete the form and they will need to enter details for both of you. The UC payment will be paid in one amount to the partner who is nominate in your application.

- Before you apply for Universal Credit you need to gather some information first.** Don't start the application until you have all these details for you and your partner, as your online session will time-out if you are inactive for more than 40 minutes, and you will have to start again. Check the details you need with the Job Centre . **It is important to give the correct answers when completing your claim form as incorrect answers can delay payment of Universal Credit. If you don't understand any of the questions contact the helpline, don't make a guess.**

**If you don't have a computer** you can access one free of charge from your local

Job Centre, Library, Council Offices or the Citizens Advice office. **Sudbury Citizens Advice will be available for help so please contact us if you need it.**

We offer a drop-in service **Monday to Friday 10-1pm** and can also be contacted for advice on **03444 111 444** or by email: **advice@sudburycab.org.uk**. We also have an outreach advice session at the Council Offices in Corks Lane, **Hadleigh** on the last Wednesday morning of the month. You may also find it useful to visit our website (**www.sudburycab.org.uk**). Follow us on **Twitter** **https://twitter.com/sudburycitadvi/** and **facebook:www.facebook.com/sudburycitadvi/**.

## The Dedham Educational Foundation

2017 is the centenary of the modern Foundation, the Governing Scheme being dated the 13<sup>th</sup> July 1917, but minutes as far back as 1599 are stored in the Essex Records Office and the National Archive in Kew. The modern Scheme, states that it relates to "the Foundation known as the Royal Free Grammar School of Queen

Elizabeth (I) with endowment for the benefit of the area consisting of the Parishes of Dedham, Ardleigh, Great Bromley, Bradfield (all in Essex) and Stratford St Mary (in East Suffolk)".

The Old Grammar School adjacent to the Royal Square, which had been rebuilt in 1732, was eventually closed and sold with the sum raised invested and today the Foundation relies upon the resultant investment income and rent from land owned, to award grants to University, Sixth Form College or Institute and Secondary School children living in any one of the five Parishes mentioned above.

The land owned is the fields on the east and west of the road leading out of Dedham towards Stratford St. Mary immediately adjacent to and on the Suffolk side of the river.

The Foundation currently has 8 Trustees including one nominated by Essex County Council and one by the Dedham Parish Council and each of the Parishes is represented by one Trustee as well. Following extensive advertising in the five Parishes, students apply for grants in October each year and the amount paid depends on the number of applications received, but in the last few years the University grants have been £800 with a correspondingly lower figure for College and Secondary School students.

Many students write to the Trustees following grants being awarded and the following is a sample of comments received last year: "it really does make a difference and is much appreciated", "we are very fortunate to have such a foundation in our locality", "as a student at whatever level one is always short of money and this will really help", and "the grant given is very much appreciated and of enormous benefit".

David Druitt, Chairman.
